ARMY OFFICER QUESTIONED IN SPY TRIAL

Wartime Boss of Atomic Bomb Project Testifies Behind Closed Doors Before Committee

PROGRESS IS REPORTED

Washington, Sept. 10.—(AP)—Lt. Gen. Leslie R. Groves, wartime boss of the army's atomic bomb project, testified today at a house committee investigation of an alleged atomic espionage plot.

The retired army officer appeared in response to an Un-American Activities Committee subpoena. He was questioned behind closed doors.

Asked by newsmen if he had any information of value to give the committee in its spy hunt, Groves said:

"I think I can tell them a great deal about everything for which I was responsible. Unlike a good many other people I am not depending on files."

Groves, who lives in Darwin, Conn., now is a vice president in charge of advanced research for the Remington Rand Company.

Earlier, committee members claimed to have struck pay dirt in their digging into the alleged atomic spy plot. Their findings are being kept secret as they proceed with plans for public hearings beginning next Wednesday.

A seven-hour closed door session yesterday brought from Chairman J. Parnell Thomas (R-NJ) the terse announcement that "this was a very important session" and the House Un-American Activities Committee made "substantial progress."

Thomas said he and Reps. Vail (R-Ill.) and McDowell (R-Pa.) conducted the session, delivered further into the Hiss-Chambers controversy and a very important espionage case.

They called half a dozen more witnesses for today but would not reveal their identities nor what they were to be questioned about.

"We have agreed not to talk," McDowell told reporters, disclosing a new committee policy.

Ex-Mayor Of Pittsburgh Heart Victim

St. Louis, Sept. 10.—(AP)—An inquest will be conducted Saturday morning in the death of William M. McNair, 58, former mayor of Pittsburgh, who collapsed and died in the Union Station last night.

A dinner audience was waiting to hear him, and he had just put his wife on a train for Houston, Tex. Her train was 90 miles away when she got the news, and after waiting two hours at Bismark, Mo., she came back on another train.

Apparently it was a heart attack that killed the veteran Pennsylvania Democrat. He had made a luncheon talk, and had not been ill.

Characteristically, he was in St. Louis to attend a meeting of the Henry George School of Social Science. Henry George and his philosophy of single tax had motivated and guided McNair throughout his strange political life.

Born in Middletown, Oct. 5, 1880, McNair reached the climax of an eccentric career in politics when he was swept into office as Pittsburgh mayor on the Democratic tide of 1933.

Life came into office virtually unknown, who had been miraculously elected a Democratic mayor in a Republican stronghold. But he left his office noted about the nation for his witticisms, his eccentricities, his bold and open criticism.

State Political Chiefs Set To Launch Election Drives

Harrisburg, Sept. 10.—(AP)—Republicans and Democrats got set today for the opening of the 1948 political campaign in Pennsylvania.

Republicans touch off the battle for the commonwealth's 5,000,000 votes tomorrow at a meeting of the state committee in Pittsburgh.

Brickbats Fly As Leaders Of Three Political Parties Speed Up Momentum of Campaigns

Political brickbats filled the air today as Republicans, Democrats and Progressives all threw fresh momentum behind their presidential campaigns.

The CIO Political Action Committee and Chairman J. Howard McGrath of the Democratic national committee let fly a one-two punch at the GOP.

McGrath swung first last night with a statement quoting Senator

Wherry of Nebraska as having accused President Truman of "rabble-rousing."

"It is regretful," said McGrath, "that a Republican spokesman talking with the warm approval of the Republican presidential candidate chooses to call any Americans who come out to hear the president 'rabble.'"

The CIO-PAC took its turn with a retort to the claim of Campaign Manager Herbert Brownell, Jr., that Gov. Thomas E. Dewey will get most of the labor vote.

McGrath said that the labor vote for Thomas E. Dewey are shown up as wholly false and empty by the Republicans themselves in their choice of a labor chairman for Dewey's campaign, the PAC said in a statement.

"(Barak T.) Mattingly is a St. Louis utility and insurance company lawyer with a vicious anti-labor record," the statement said.

To Brownell's assertion that Mattingly has the respect and confidence of labor leaders, the PAC snapped: "Name three!"

On the other side GOP National Chairman Hugh D. Scott, Jr., in a speech to a Baltimore Republican rally, said some voters in 1946 were "thundered by thievery and chicanery" but that any attempt to steal the coming presidential election will be punished by a "new department of justice."

Noting that both Dewey and his running mate, Gov. Earl Warren were once prosecuting attorneys—and so was he, himself, Scott added:

"Men disposed to steal elections will not take over in 1948."

While Scott reiterated his prediction of a Republican victory, he also took occasion during the day to caution party members against over-confidence.

That happened after Elmo Roper, conductor of The Fortune survey, has announced in the New York Herald Tribune that his polls showed a Republican edge so huge that he plans no more reports—"unless something really interesting happens."

That's all very well, said Scott, but "this is no time to relax our efforts to build up the biggest majority in history."

Mr. Truman announced plans yesterday to attempt that very thing. The White House disclosed.

Exercise Plus New Drug Aids Recovery Of Polio Victims

Washington, Sept. 10.—(AP)—Exercise plus use of the drug curare appears to speed recovery from the crippling effects of infantile paralysis, two doctors reported today.

They said the drug was used to relieve pain and tightness so the patient could exercise or stretch damaged muscles and nerves. The drug apparently has no curative effect itself, the two physicians reported. They are Drs. W. D. Paul and O. A. Couch, Jr., of the University of Iowa.

In another paper, Dr. Stafford Osborne of Northwestern University Medical School, Chicago, reported to the American Congress of Physical Medicine that the use of electricity to stimulate paralyzed muscles has brought favorable results.

He said that was true both in patients with newly diagnosed cases of polio as well as patients who had suffered crippling effects for as long as six years.

Yesterday Dr. Julia F. Herrick of the Mayo Foundation, Rochester, Minn., said some "unusual symptoms" have appeared in patients treated both in the air and the ground—both by ultrasonic waves set up by jet aircraft.

She said similar ultrasonic waves generated in laboratories "are truly a death ray when sufficient outputs are available." These are sound waves beyond the range of the human ear.

gible voters enrolled for the Nov. 2 election. The deadline is tomorrow.

Black and Lane will open their campaign Monday in Allegheny county and plan to speak in each of the 67 counties before election.

The Democratic state executive committee meeting here yesterday, finished last-minute business, including the filling of existing ballot vacancies.

Topping the list of 12 congressional and general assembly vacancies filled by the Democrats yesterday was that of the state senate post in Dauphin county.

Americans Glumly Predict Disagreement Over Italy's War-Lost Possessions

PROPAGANDA BLASTS

Washington, Sept. 10.—(AP)—American officials today glumly predicted a new Big Four disagreement by fresh Russian propaganda blasts.

Diplomatic authorities said they see no chance for success when and if the Foreign Ministers Council tackles the issue briefly in Paris next week.

Secretary of State Marshall cleared the way for such a meeting when he told the Soviet embassy last yesterday that the United States is "wholly agreeable" to Russia's surprise suggestion.

But Marshall said Moscow's proposal that the Council reconvene today was impossible because of the time element. He offered to have a representative on hand Monday, although he will not arrive in Paris until the following Sunday.

Britain and France, previously had agreed to the Russian move. If the Kremlin okayes the new date, it will leave the Foreign Ministers Council only three days to work out agreement on a problem that has defied solution for the past year.

Under the Italian peace treaty the four powers must hand the colonies question over to the United Nations General Assembly if they fail to reach an understanding by September 15. That will be one year from the date the pact with Italy went into effect. The U. N. Assembly will meet in Paris September 21. Marshall will head the American delegation.

Those who predicted that only sharper disagreement will result from the proposed new four-power talks said they are convinced that the only Soviet objective is to gain a forum for additional denunciations of the western powers.

Jury Recesses In Albany Slaying

Albany, N. Y., Sept. 10.—(AP)—An Albany county grand jury, hurriedly convened yesterday to hear the case of a 20-year-old soldier accused of murdering a state employee, has recessed until next Wednesday.

The jury heard the state's evidence for a first degree murder indictment against Howard Smith, army recruit from Gloversville.

Smith, accused of killing Theodore E. Allen, 51, State Commerce Department radio bureau employee, will have a hearing in police court tomorrow.

Allen's nude body was found in his hotel room last Sunday. A twisted bedsheet was looped around his neck and tied behind him to his hands and ankles in what police called a "Japanese noose."

Smith was arrested at Fort Dix, N. J., on Wednesday. District Attorney Julian B. Erway said the soldier admitted he trusted Allen with the bedsheet. Smith, according to the prosecutor, claimed Allen made "improper advances" in the hotel room.

The victim's brother, Willis Allen of Lebanon, Conn., arrived in Albany yesterday and said Smith's account was "not a true picture of my brother."

RAPE CHARGES TO BE FILED AGAINST MAN

Mt. Holly, N. J., Sept. 10.—(AP)—Rape charges against Robert A. Clyde, Philadelphia engineer, will be presented today at the Burlington county grand jury hearing, says Prosecutor Harold T. Parker.

Clyde is charged with raping a 13-year-old Burlington girl, and nine detainees have been filed against him on charges of raping or attempting to rape young girls.

He has been picked out by 12 girls as the man who attacked them. New Jersey police are questioning him about other attacks and an unsolved murder of 17-year-old Rachel Taylor while both she and Clyde were students at Pennsylvania State College in 1940.

STALKED BY TRAGEDY

Elmira, N. Y., Sept. 10.—(AP)—Mrs. Blanche Andrus, 60, of near-by Gillette was crippled by paralysis of both knees for 24 years before she managed to walk again this summer. She suffered fractures of both knees yesterday when riding in an automobile driven by her husband, Claude.

He struck a pole in an attempt to avoid hitting another car near here. Andrus was not injured.

TO JUDGE PAINTINGS

Pittsburgh, Sept. 10.—(AP)—The Carnegie Institute exhibition, "Painting in the United States, 1948," will be judged by three New York state artists who will look over the 300 entries Sept. 17.

The exhibition opens Oct. 14. Judges selected are Alexander Brook and Luigi Lionici of New York City and John Carroll of East Chatham.

Excellent Progress Is Made For Big Penn'a Week Parade

Excellent progress in shaping up Warren's Pennsylvania Week parade, Saturday afternoon, September 25th, was made in an enthusiastic meeting last evening at the VFW post rooms, with many local civic and patriotic organizations represented.

Decisions reached during the discussion assures the community a bang-up celebration to include a gigantic civic parade, band concert and fireworks. The schedule for the events will be adopted at a later conference.

The group heading up the plans, which will be known as "The Pennsylvania Week Committee for Warren County," will include representatives of both the Senior and Junior Chambers of Commerce, Legion, VFW, most of the local lodges, service clubs and other organizations.

Plans were discussed about securing floats and decorated trucks for the parade, and it is hoped that by next Tuesday a live-wire local organization will have been secured to undertake this project. It was emphasized that a general invitation is extended all industries and other business establishments to

arrange to have entries, and no limit will be placed on the number that may be listed.

A committee headed by Ben Kinner is to arrange for a spectacular fireworks display to follow a band concert that will be held in the early evening.

A general treasurer to handle funds that will be solicited to finance the affair was selected but the name is withheld pending acceptance.

Representatives of both the Legion and VFW announced that there is every reason to believe that all outlying Posts will be represented in the county, which would include delegations from Sheffield, Claradon, Youngsville, Tidioute and Sugar Grove. Posts in Tionesta and Marienville are also to be invited.

It is understood the Retail Merchants' Bureau of the Chamber of Commerce at a meeting Monday will discuss plans for active participation in the event.

The next meeting of the committee will be held at the VFW Post rooms Tuesday evening at eight o'clock and a general invitation is extended all interested to attend.

Community Chest Campaign Goal This Year Is \$51,500

A goal of \$51,500 has been set by the Warren Community Chest for its 1948 campaign which will be held during the week beginning October 1st.

In making the announcement, H. N. Elmquist, president of the Chest, stated that the increase of \$1,000 over last year's total is occasioned by the acceptance of the amount suggested by the USO as Warren's quota of the National Fund to be raised by this organization. The other agencies comprising the Chest have expressed their willingness to keep their respective budgets at last year's figures in spite of the increased cost of maintaining their services.

The grand total of \$51,500 is made up as follows:

Boy Scouts	\$ 6,380.00
Child Health Center	550.00
Children's Aid Society	3,200.00
Girl Scouts	5,000.00
Salvation Army	4,000.00
St. Vincent's	4,000.00
Warren Relief	1,000.00
War. Visit. Nurse Assn.	1,600.00
Y. M. C. A.	10,750.00
Y. W. C. A.	6,500.00
	\$42,340.00

Allowance for loss through death, removal from town, year round administration and campaign expenses

Mr. Elmquist will be general chairman of the campaign and headquarters have been opened. Owing to the scarcity of adequate facilities for housing the clerical and other work of the campaign in the downtown area of Warren, the Chest had to look elsewhere for headquarters. Through the courtesy of the Warren Chapter of the American Red Cross, headquarters for the campaign have been established at the Red Cross building, 404 Market street.

A meeting yesterday afternoon of a committee which has the responsibility of conducting the campaign discussed preliminary organization plans and made arrangements to enlist the hundreds of volunteer workers necessary to call on the citizens of Warren for their help to make the campaign a success. Those present at the meeting were Mrs. R. G. Dawson, C. S. Allen, N. D. Patterson, C. A. Erickson, J. G. Rossman and H. J. Rue.

North Warren will again be an important part of the campaign and the chairman for this area and for other sections of the campaign will be announced later.

More Trouble For Milk Commission

Harrisburg, Sept. 10.—(AP)—Troubles were mounting at a giddy pace today for Pennsylvania's dissonant - torn Milk Control Commission.

The embattled organization was faced not only with disagreement within its own ranks, but also with court suits seeking both to hike and cut prices.

The two latest court suits developed yesterday.

The Dairymen's League Cooperative Association, a producer organization, asked the Dauphin county court to direct the commission "to reform" an Aug. 20 price order for the Scranton-Wilkes-Barre area, which boosted prices to 21½ cents a quart.

The action came after the commission majority, with Chairman H. N. Cobb dissenting, rejected pleas that it revise the order, boosting prices from the 21½ cent level to 23 cents and producer prices to \$6.15 a hundred pounds, effective Oct. 1.

The association said in seeking court aid that the commission's previous action was "illegal and unreasonable."

Meanwhile, the United Grocers Association of Wilkes-Barre challenged the same order in another court appeal. It claimed the two-cent spread would bring "hardship and confiscation" to stores selling milk over the county.

The strike, now in its ninth day, has tied up 160 ships from Puget Sound to San Diego.

The 50,000 auto workers were made idle in Detroit after a strike by 170 independent union plant guards at the Briggs Manufacturing Company. They include 25,000 Briggs workers, 19,000 at the Chrysler Corp. plant and 6,000 at Packard.

The guards struck in support of demands for 15 minutes paid preparatory time.

NOTE DEMANDING DETAILED PRIOR NOTICE ON FLIGHTS INTO CAPITAL TURNED DOWN

Berlin, Sept. 10.—(AP)—American officials rejected curtly today a Russian attempt to restrict the air lift supplying blockaded Berlin.

The Russian move came half a day after bloody street fighting in the tense city in which anti-Communist Germans ripped down the Red flag from the Brandenburg gate and Russian and Soviet-controlled police fired into demonstrators, killing at least one. The Russians raised the hammer and sickle flag today over the gate.

The Russians sent a formal note to the four power Berlin air safety center demanding from the U. S. detailed prior notice on every flight made to Berlin. They asserted the data is needed "in the interests of safety."

An American Air Force official said the safety rules are adequate and the real intent of the Russians was "obviously another one of their efforts to get control of our flights into Berlin." The Americans have been flying upwards of 400 planes a day into the city with food, coal and other supplies, since Russia blocked the land approaches 79 days ago.

Allied sources voiced open concern that mounting incidents between Communist and anti-Communist Germans might pile up to a point where four-power negotiations now being held on the Berlin stalemate might break down completely.

Last night's street fighting between Berlin civilians and Russian troops, supported by Soviet Zone German police, cost the life of one German youth and injuries to at least 22 other Germans, police reports said.

The clashes occurred near the historic Brandenburg gate, which marks the division of Berlin into east and west, after 200,000 Germans had demonstrated in a nearby square against the Communist drive for power over the city.

Crowds hurled rocks at three Russian soldiers in a jeep and at Russian-controlled police. Russian military police and their German colleagues fired into the throngs of anti-Communist demonstrators.

The rioting occurred on both the Russian and British sides of the Brandenburg gate, which divides the two sectors.

All the shooting by the Soviet-controlled German police occurred just inside the Russian sectors when demonstrators surged through the gate and skirmished with police. Most of the casualties occurred there.

The Communist press claimed the demonstration was directed against the Soviet military administration. It carried a veiled demand for ousting the elected anti-Communist city government.

Dusting off their best invective and catch phrases the Communist papers blared "Fascist rowdies" for the riot.

Military observers said they believed yesterday's display of Soviet planes over Berlin was a carefully planned move.

New Efforts Under Way To End Three Crippling Strikes

New efforts were made today to end crippling strikes in the oil, shipping and trucking industries but hopes of early settlement appeared dim.

Meanwhile, more than 115,000 workers, including 50,000 Detroit auto plant employees, remained idle because of work stoppages. 15,000 CIO refinery workers and some 15,000 AFL truck drivers in New York City and northern New Jersey.

Representatives of six major struck oil companies and the CIO Oil Workers Union resumed negotiations in an attempt to end the week-old strike as the federal government placed a temporary embargo on shipment of gasoline and other fuels from west coast ports.

The Los Angeles area was the hardest hit in supplies of gasoline but a million gallons was to be sent from Oklahoma.

In New York, leaders of striking Local 807 of the AFL International Brotherhood of Teamsters called a union membership meeting this afternoon to decide whether to reduce their wage demands from 25 cents to 17½ cents an hour.

The CIO Longshoremen Union members voted on whether to have their leaders sign non-Communist affidavits, and accept the final wage offer by the west coast employers.

Union President Harry Bridges said he would offer to resume negotiations after votes in the coast-wide union election were counted.

The strike, now in its ninth day, has tied up 160 ships from Puget Sound to San Diego.

The 50,000 auto workers were made idle in Detroit after a strike by 170 independent union plant guards at the Briggs Manufacturing Company. They include 25,000 Briggs workers, 19,000 at the Chrysler Corp. plant and 6,000 at Packard.

First Anniversary Shows Air Force Making Great Stride

Washington, Sept. 10.—(AP)—The Air Force has a fledgling flock of new-type warplanes and 89,000 more men than it had a year ago.

It took stock of its position today as the September 13 first anniversary of its status as a separate, independent arm of the fighting services approached.

In the last year, said an Air Force summary, 13 new models have been introduced, among them three fighters, two bombers, three transports, a trainer, a pilotless jet target aircraft and a glider.

Jet engines are used exclusively in all the new fighter types and in the two bombers.

Premiership Is Accepted By Queuille

Paris, Sept. 10.—(AP)—De Gaulle's national assembly promised their votes to Henri Queuille today, virtually assuring him confirmation as premier. The development came as Queuille, a radical Socialist (Conservative) prepared to ask the assembly to approve his head of the fifth French government since January, 1947 and the 14th since the liberation.

Paris, Sept. 10.—(AP)—The national assembly will be asked today to approve a new French government headed by radical Socialist Henri Queuille. If accepted, the Queuille cabinet would be France's fifth since January, 1947, the 14th since liberation.

Queuille announced his acceptance of the premiership last night, only a few hours before a spokesman for Gen. Charles De Gaulle issued a statement demanding new elections.

The election call was the first made by the De Gaulle during a cabinet crisis. A statement released by Jacques Soustelle, secretary general of De Gaulle's French People's Rally (RPF) said:

"The French People's Rally holds there is no other Democratic solution than to hold general elections as soon as possible. It condemns any and all combinations (of parties) which in delaying elections prolong a system of government crisis which endangers the republic and the life of France."

The country's labor troubles continued. Workers marched toward the Elysee Palace, residence of President Vincent Auriol, only to be dispersed by police before arriving there.

Employees of the Renault auto factory left their jobs to march toward the center of the city. They attacked a force of police which met them and a dozen demonstrators and 20 police were reported injured.

EXPLORER BACK FROM 27TH ARCTIC TOUR

Sydney, N. S., Sept. 10.—(AP)—Cmdr. Donald E. MacMillan, just back from his 27th voyage to the Arctic, says "protective measures" are being taken in Greenland to repulse possible foreign attack.

The 73-year-old explorer declared in a speech last night just after arriving from the north that the United States "is getting ready in the north." He did not amplify.

Speaking before a local service club, he said he and his crew of 16 aboard the Bowdoin penetrated to within 660 miles of the North Pole and assembled a vast amount of hydrographical data. This, he said, will be used in a correct charge.

He said that while the United States has spent more than \$1,000,000 on surveying and exploring the Arctic, Canada had allowed 300 miles of the Labrador coast to go unexplored.

Pittsburgh, Sept. 10.—(AP)—Harry L. Mitchell, 65, president of the West Penn Power Company and the affiliated West Penn Railways Company, is in an "acutely critical" condition in Allegheny General Hospital.

He was stricken Wednesday with what his physician described as a "shock" while visiting friends in New Alexandria.

A native of Warren, Mitchell rose from office boy to president of the power company serving many western Pennsylvania counties. He joined the firm in 1902 and was named president of the railways in 1927 and of the power company in 1929.

County Makes Fine Showing In Bond Sale

The latest figures just released by the Treasury Department on purchases of U. S. Savings Bonds for the June and July periods show that Warren County exceeds the state's fine percentage gains on both "E" Bonds and total Bonds. Pennsylvania as a whole jumped "E" Bond purchases in the July period by 40% over June, while Warren County's "E" Bond increase was a shining 77%. On totals of all types, the state was up 40% in July, and Warren County racked up an increase of 44%. All told, Pennsylvanians bought over \$47 millions worth of Savings Bonds in the June 27th-July 31st period, an increase of more than \$13 millions over the month before. Evidently Keystoneers still know they can't beat U. S. Savings Bonds for both utmost safety and dependable income. "E" Bonds still pay \$100 for every \$75 invested for 10 years, and the limit is now \$10,000 in purchases within any one calendar year.

Baptismal In Allegheny In Forest County

Forest Republican: A large number of persons, numbering over 250, attended the outdoors baptismal service conducted in the Allegheny River in Tionesta, near Front and May streets, by the Tionesta Church of God, under the direction of the pastor, Rev. George Rennard. The congregation, numbering regular members, and many visitors, lined the east river bank. The broad branches of the large old trees gave shelter from the hot August sun to those who attended. A tent was provided near the river's shore line to accommodate those receiving baptism and the officiating clergymen while they changed to suitable garments. A platform was set up under the trees which served as a pulpit and placed the pastor above the congregation. The Swonger family of Marienville led the singing, serving special music which added much to the occasion. An interesting item connected with the music was the fact that the singing was accompanied by the beautiful reedy strains of a hundred year old portable organ, the property of Mrs. Charles Taylor of the township. This organ must have been the center of many an old-time religious gathering in the rugged and primitive days. At the scheduled point in the service, the baptismal party advanced into the river. As the service called for complete immersion, the party waded far out into the stream beyond the shallow depths. Ten persons were baptized and received the ordinance of the Church of God.

Tionesta Dam Picnic Area Is Improved

A splendid start has been made towards accommodating picnickers at the Tionesta Dam. It is understood that a program for developing facilities has not been completed. However, The Forest Republican says, we hope that the present set up will be added to from year to year. Seven good sized picnic tables and four fire places have been located in the immediate vicinity of the dam. Three tables and 2 fire places have been spotted along the right bank between the dam and the control tower. Two tables have been constructed at the out-flow of the dam, where the Lions picnicked in former years. There are to be 4 more tables located at this point and it is understood that a suitable number of fire places will also be erected in the out-flow neighborhood. Several gravel based paths are now under construction which will integrate the public areas into one system and provide pleasant courses for those who would stroll to take in the beauties of that region in foot. Use of the tables and the fire places is authorized by the Federal Government official in charge of the dam on a first come, first served basis. All that is asked is that the Golden Rule be obeyed. That is, that picnic parties clean up and dispose of the litter before leaving. Also that great care be exercised against the spread of fires and the usual woods precautions against fire to be observed.

POLIO PATIENTS
Lowell White, 15 year old son of Mr. and Mrs. Otis White, of Lander, is a polio patient in Jamestown General Hospital. Robert Gruber, son of Mr. and Mrs. John Gruber, of the same place, a polio patient in the same hospital for many months, was taken to Zem Zem Children's Hospital in Erie on Wednesday.
ROTARY SPEAKER
James E. Springer, member of the Warren High School faculty, who will teach the new course in driver education for members of the junior class, will be guest speaker at the Monday luncheon-meeting of Rotary Club, 12:15 p. m. Monday at the YWCA activities building. His topic, "Giant Killers," will be along the lines of safety education.
KANE GAS SITUATION
Arrangements are underway for a special meeting of Kane Borough Council with representatives of the Kane Gas Companies, relative to determining what steps have been taken during the past several months to bolster local domestic gas supplies and to avert repetition of critical shortage periods during winters of the past several years.
NEW OFFICE READY
The office addition to the existing space of Struthers-Wells Company will be ready for occupancy in about a week, according to plant officials. The new space, which will approximately double the present area, will be occupied almost exclusively by the engineering department of the firm. About half of that department will be moved at once with the remainder to follow in about a month.
The word "ton" is derived from "tun," the name of a large cask in which wines were once shipped.

One Crisis After Another Keeps Berlin In a Tither

By JAMES MARLOW
Washington—(AP)—This is an ABC on the mix-up in Berlin. There's been one crisis after another in Berlin for months. The latest arose Monday when German Communists, backed by Russian troops, burst into the city hall.

(The job of communizing Germany would be duck-soup for the Russians if, short of war, they could get the Americans, British and French out of Berlin and out of Germany altogether.)

Although the four nations have not been able to agree on setting up a new German government for Germany as a whole, in 1946 they agreed to let the people of Berlin have a city government.

So they let the Germans in all four sectors of the city elect an assembly of about 180 members, a kind of legislature, which laid down laws and rules and appointed city officials to carry them out.

Three times recently the assembly tried to meet but couldn't because German Communists raised such a rumpus at city hall. That city hall, by the way is in the Russian sector of Berlin, and Berlin is in the Russian zone of Germany.

On Monday the assembly tried to meet again. German Communists, backed by Russian troops who patrolled the streets outside, stormed the city hall.

All but 34 or 35 of the assemblymen were scared badly that they fled from the city hall and the Russian sector into the American-British-French sectors. The fugitive assemblymen are talking of carrying on their work there.

The 34 or 35 assemblymen who didn't flee are talking of carrying on the assembly's work in the Russian sector. They're members of the Socialist Unity Party, made up of Socialists and Communists controlled by the Russians.

The confusion started some time ago among the four military governors in Germany. The top representative of each of the four occupying powers is called a military governor.

They had met more or less steadily since the war's end to work out plans for getting Germany on its feet. Their relations grew steadily worse. Last March the Russian governor said the meetings were useless.

He did more. He said the Americans, British and French no longer, by train or truck, could send supplies from their zones of Germany into their sectors of Berlin.

But the Americans got around the land blockade by sending in supplies by plane, an expensive job. They're still doing it.

STREET REPAIRED

Work of applying a new coat of black top to Hickory street between Pennsylvania avenue and Third avenue was commenced this morning. At Tuesday night's meeting of council, purchase of black topping material was approved to cover this stretch as well as Fifth avenue between the bridge and Market street. Work is expected to begin on Fifth avenue next week.

BIG-NAME BAND COMING

Music lovers of Warren will be interested in an announcement made this afternoon by George C. Sarvis, manager of Warner Bros. Library theatre that Louis Prima's orchestra has been booked for afternoon and evening performances next Tuesday at that playhouse. Because of this attraction the Bing Crosby picture, "The Emperor Waltz," originally booked for five days starting Friday, will appear at the theatre, Friday, Saturday Sunday and Monday only.

TAKES TEACHING JOB

Miss Gertrude Joy, daughter of Mr. and Mrs. Bernard Joy, of 619 prospect street, has accepted a teaching position on the staff of the Oil City Junior High school. Miss Joy recently graduated from Slippery Rock State Teachers College, where she received a degree in physical education. Mr. and Mrs. Joy, Gertrude and a niece, Alberta Sears, returned home over the weekend following a thousand mile motor trip to Canada and New York, where they visited the Toronto Fair, the Thousand Islands and the Finger Lakes.

BUILDING APPLICATIONS

Applications for building permits have been filed in the office of the borough secretary for two new houses and one public garage. The homes, both of one-story type, will be erected on Lookout street by Walter Stromdahl, and on Madison avenue by L. A. Carlson. The garage application is being made by the Warren Automobile Company for the erection of a one-story public garage on the site of the old highway sheds on Pennsylvania avenue, west. When completed it will be the new home of Mercury and Lincoln automobiles in Warren.

Presbyterians To Hear New Pastor Sunday

Dr. Robert S. Steen will occupy the pulpit for the first time as minister of First Presbyterian church when the 11 a. m. service of worship is held on Sunday.

He has chosen for his first sermon in the local church the theme "The Hidden Riches of the Bible" and every member of the congregation is requested to be in attendance.

Dr. Steen comes to Warren from Royal Oak, Mich., where he has been pastor of the First Presbyterian church for the past 15 years. He is a member of the National Board of Missions of the denomination and has served as moderator of the Presbytery of Detroit.

Jackson Barrett will play for his organ prelude, "Hymnus" by Liszt. The senior choir will sing "Be Calm and Peaceful" by Bach and Mrs. Everett Borg, contralto, will sing as her solo "O Rest in the Lord" by Mendelssohn. Sunday school will convene at

9:45 a. m., with classes for all ages, and the nursery will be conducted in the beginners' department during the church service, so that children may be cared for while the parents worship.

OIL PROPERTY SOLD

The oil properties owned by Smithman, Roess & Mayar in Cranberry township, Venango county, have been sold to Rudolf G. Sonneborn and associates of L. S. Sonneborn Sons, Inc., of New York City. There are about 300 wells on the properties producing from second Venango sand. The new owners plan to install an intensive secondary recovery program to increase production. They have one refinery at Franklin and one in Butler county, besides others.

101 YEARS OLD

Although confined to her bed, Mrs. Sarah E. Gayle of Oil City enjoyed her 101st birthday on Tuesday at the home of her daughter, Miss Bess T. Gayle, in that city. Until her illness last February, Mrs. Gayle was able to walk around the neighborhood and voted in the November election.

THEY'RE OFF!

"Who did it? He did it!"

That just about sums up what you're going to have to listen to in the presidential campaign from now on.

The Democrats—with President Truman doing the talking—and the Republicans—with Harold E. Stassen talking—began their campaigns this week.

They cut loose with four main ideas: Living costs, labor, prosperity and housing.

As the campaign goes on, a few more may be added but those four will run through the campaign.

The high cost of living! Who did it?

The Republicans, Mr. Truman said.

The Democrats and world conditions generally, said Mr. Stassen.

The Taft-Hartley labor law! The Republicans controlled Congress when it passed in 1947, but a majority of Democrats joined with a majority of Republicans in passing it.

But is it a good law, or bad?

Terrible, Mr. Truman said. He hammered away at the fact that the Republicans controlled Congress when the law was passed.

It's a good law, said Mr. Stassen, and he hammered away at the fact that a majority of Mr. Truman's own Democrats helped pass it.

Prosperity! We have it now, but will it last?

We'll have an "era of fear" if the Republicans win, said Mr. Truman. He took a dim view of continued prosperity if there is a Republican victory.

We'll keep prosperous if the Republicans win, said Mr. Stassen, and he indicated that Mr. Truman is gloomy anyway and is trying to scare people.

Housing! Why don't we have more housing?

Blame the Republicans, said Mr. Truman.

Both Democrats and Republicans are to blame, said Mr. Stassen. We certainly "must do something," he said.

Things like high living costs, prosperity and labor laws are so complicated that even experts have trouble figuring what's what.

Maybe a lot of voters already have their minds made up anyhow on the man they'll vote for. So they won't pay much attention to the arguments they read or hear on the radio.

They include the people who vote against a candidate because they don't like his eyeglasses or his mustache.

But the rest of the voters will just have to listen—if their minds are still open—and try to reach honest answers by themselves.

They have a tough job.

BUSY WEEKEND LOOMS

With an unusually long list of outdoor activities scheduled in the area, all that is needed to make this one of the busiest weekends of the year is favorable weather. The Dragons open the local High School grid season at War Memorial Field Saturday, and the Red Jackets are scheduled for another big game Sunday afternoon. In addition to these events the Warren Field & Stream club is staging a full program of field day events at Wilder Field Sunday, while the annual Community Fair will be concluded with interesting programs tonight through tomorrow afternoon and evening. The annual football classic between Youngsville and Sheffield at the latter place will attract a large crowd Saturday afternoon, as will a baseball game at the State Hospital diamond arranged by the VFW team management. Included among the picnics will be the Royal Arcanum family outing at Wildcat Park Saturday. And don't forget, your church will be holding meetings as usual. Attendance at services will not conflict with any activity in which you may be interested.

TIMELY REMINDER

Fire Chief C. A. Albaugh today reminded home owners that it is essential to have home heating plants thoroughly checked and inspected before lighting the first fire for the coming fall and winter months.

"If you burned coal or wood last winter, your chimney will need cleaning," Chief Albaugh said. "The smoke pipe should be taken down and cleaned, or perhaps replaced with a new pipe."

"Check your furnace for leaks. It may need resetting or the pot may be cracked. A smoking furnace is very dangerous to your health and your family."

"You have plenty of time to do this before cold weather. Don't say it's good enough and then roll over and go to sleep—you may not waken up again. Good enough is not 100 percent."

Everybody knows that what everybody knows usually isn't worth knowing.

His Regular Quadrennial Emergence

H-E-R-E A-N-D T-H-E-R-E

In connection with the opening of the Blue and White Grid season on new Memorial Field tomorrow afternoon, we note that the first game, played forty years ago on High School field, was on October 1st, with Dunkirk High as the opponent. However, we find that at the September, 1908, meeting of the board of school directors "The building committee was authorized to place two shower baths and a hot water boiler in the basement of the Sixth ward school building for use of the High School football team." In the game against Dunkirk, at High School field October 7, 1908, The Mirror of October 9th, says: "The decisive beating administered by Warren by a score of 22 to 5, demonstrated Warren's speed against Dunkirk's brawn." According to the writeup, Brann, Schuler and DeLong were the bright stars for the Warren team. The feature was Brann's ninety-yard run for a touchdown. The lineup of the Warren team was: Knopf, le, Wendelboe, lt; Klidder, lg; Reese, c, Lacy, rg, A. Martin, rt; A. Brann, re; DeLong, g-qb; M. Brann, lb; Schuler, rh; Averill, fb. The halves were thirty and twenty minutes.

Every year, it seems, folks down Youngsville way try to surpass previous efforts in staging their annual Community Fair, and what's more up to now, they seemed to have succeeded in this endeavor pretty well. The wonder is—just how long can they continue to improve, year after year? Speaking of fair: we note that it was forty years ago this month that the first annual Farmington Fair was held at Lander, and "it was a pronounced success." It was held between the Grange Hall and Methodist church, on both sides of the Russell road, and the principal speaker was the Hon. Charles Stone, of this city.

This And That: Many folks in Warren will doubtless be surprised to read that Attorney Henry

Nicholson is an accomplished musician—especially on a Hammond organ. MBS is stopping its high jackpot cash prize show, "Three For The Money," after two more broadcasts, one for September 19th—the move is in keeping with recent comments that broadcasts which rely upon telephone contacts with listeners at home would have to go. Weekend scholastic games local fans will be watching with keen interest, in addition to Warren and Corry are—Bradford at Franklin, Oil City and Titusville, Greenville at Meadville, Ridgway at Kano and Sheffield at Youngsville. Oil City is preparing to abandon its extensive airplane development program for Spilane field, mainly because Franklin is building a Class 2 airport, capable of handling DC-3 transport planes on the route scheduled to operate through this area by All-American Aviation, Inc. Bowlers of Bradford and vicinity will present a petition protesting the city's ten per cent amusement tax on the ten-pin game at the 1949 budget meetings of council in that city, after being informed by Mayor Hugh J. Ryan that a protest at this time "was out of order," reminding that an appeal should have been made during the legal thirty-day period following publication of the ordinance several months ago. Those peaches brought to the Times-Mirror office Thursday by Yaker Catlin, he tells us, are Alberta-Hale, and were they delicious. "Oklahoma," the New York stage production, which has had a record run, will be presented at Sies's theater in Erie beginning Monday. The sixth annual Optimist Club Model Plane meet will be held at Municipal airport, Jamestown, Sunday beginning at one o'clock. James Earl, only boy of the McCarthy triplets born August 19 in Jamestown General Hospital, Wednesday underwent an operation to relieve an intestinal obstruction which will allow him to eat normally. Erie Railroad employees from this area will be

among an estimated 4,000 members of the Erie Veterans' Association who will attend the annual systemwide outing at Conneaut Lake Saturday afternoon. Lack of rain has lowered milk production in some sections of the state, the Agriculture Department at Harrisburg, reports. Wednesday, September 16, has been proclaimed "National Guard Day," by President Truman, and some units in the area are planning to mark the observance with "open house"—our company I doubtless will announce some plan to celebrate the event.

1928
"Polsen" Paul Waner, Pittsburgh Pirate ace, finally achieved one of his pet ambitions—that of displacing Rogers Hornsby from the National League batting leadership. Waner was socking the horseshoe at a 380 clip while Hornsby "fell back" to 376. . . . Dr. M. V. Ball, in a letter written while on a visit to Rome, said most everyone in the Eternal City "respects the ability of Mussolini and average individuals are in awe of him." . . . Capt. J. G. Grady, experienced aviator from the Wells-ville aviation club, declared the proposed site for an airport in the west end of Warren was "better than some now in use by the government as airfield stations." . . . Death called two prominent Warren residents, William Adair Hall and John L. O'Donnell. . . . The third annual Warren National Bank flower show attracted a total of 7,050 visitors. There were about 680 exhibits entered in the show. . . . The Nypena Furniture team won the Industrial hall league crown by beating the County Dury nine in a playoff series on the South Side diamond.

1938
Bell Telephone Company started work on installation of new storm-resisting cables in the area between Warren and Garland Junction. . . . Chilly temperatures were reported throughout the state with the mercury in Warren registering 43 degrees. . . . The federal government announced plans for a new Thomas Jefferson nickel to replace the 25-year-old Indian - Buffalo model. . . . The Liberty Club won the championship of the WPA City Softball League by defeating the St. Joseph team, 5 to 2, on the West Side diamond. . . . The Warren Lodge of Elks announced it would be host to a meeting of the Elks Association of Pennsylvania, Northwest District, at which Fred M. Gribble, of Alliquippa, newly appointed district deputy grand exalted ruler, was to be the guest speaker. The Library theater was showing the film, "Marie Antoinette," starring Norma Shearer and Tyrone Power. At the Columbia, it was "Lord Jeff," with Freddie Bartholomew and Mickey Rooney getting top billing.

A. P. Writer Brings Vivid Picture Of Jerusalem Plight

(Editor's Note: Daniel De Luce, veteran Associated Press correspondent now in the Middle East, has seen the warfare in Palestine from both Arab and Jewish vantage points.)

By DANIEL DE LUCE
Jerusalem — (AP) — This is a frontline town where nobody has been given a medal for bravery. But the heroes are counted in the tens of thousands. They are the little people who stuck it out.

No man's land is only a few yards wide. It divides the old city, which is still in control of the Arabs, from the Jewish-held modern city, comprising about 90 percent of Jerusalem.

It took me 700 miles traveling in four countries to cross from the Arab to the Jewish side.

The impact is like landing in a new world.

Inside the old city, where life moves at a Biblical pace, only a handful of Arab women took an active role in defense. One ran a military telephone switchboard under mortar fire. Another bandaged the wounded at Zion gate. A third carried a rifle on police patrol in the Street of David.

Here in Zion Square within rifle range of the old city walls almost half the soldiers striding by are girls. Some are hefty miss five by fives, others are dainty as Paris mannequins. Israel conscripts woman power as drastically as Russia did in wartime.

Zion Square has been destroyed several times by Arab ruckus mongers. But it is a tidy ghost. The debris from Arab shelling has been swept up and you have to look hard to discover where hit were scored. A dozen Arab field guns in action may have battered Jewish Jerusalem but it doesn't lie in ruins.

The gay Gemuetliche Vienna cafe is open as usual but few society drones are inside. War taxes on luxuries are steep. A penny box of matches is now six cents. Bottled beer costs \$1.50.

Arab wishful thinkers used to tell me the Jews here were parched, starved, terrified and weak. They claimed one big attack would finish off Jerusalem in 48 hours. Jews call such talk a coffee house communique.

It is true that once they were cut off from landbone supplies. But they bulldozed a five-mile dirt detour in the Judean hills out of reach of Arab guns.

The Jewish airlift has been in continual operation since the British abandoned their mandate. The nearest airport was seven miles north in Arab territory. So the Jews steamrollered two landing strips within the city.

Jerusalemites consider themselves a cut above the Jews of Tel Aviv and the uninvaded coast. Eighty thousand are still here after nine months of intermittent fighting. Only 20,000 departed.

They seem to have a hardboiled eagerness for the third round of the war to start. Palestine is currently under a second United Nations truce. The Jews claim the Israeli army can smash through the old city from end to end if it gets another chance.

Washington School Man Has New Views On Education Plan

Washington — (AP) — If you're a married man, how come you picked out the little lady who shares the morning toast with you?

Do you think she's the best bargain you could have got? Or was there a little blonde who —

Was marriage the most important decision you ever made?

If so, did you ever study the subject: How to fall in love?

If the answer to this last question is no, a Washington school man thinks a vast mistake has been made.

Dr. James Harold Fox, dean of education at George Washington University, has been making speeches to teachers. He has stressed that education should be something the kids can use.

Today he amplified these speeches for a reporter.

"Education should be functional," he said. "We should be taught things we can use in everyday life. If we don't use it, we forget it."

Since it's on a lifetime basis, marriage should be taught in the schools, Dr. Fox thinks.

"For most schools," he said, "homemaking means teaching home economics; sewing and cooking."

"That is important, of course."

But I still think the big problem is social—how to get along with each other in the family."

That's why he thinks every high school should have, in the 11th and 12th grades, courses in which forming of friendships, courtship and marriage could be discussed.

"Remember," he said, "that many of those girls are going to be married soon after they leave high school."

Sooner than that, Dr. Fox says, there should be some attempt to help the youngsters solve their social problems.

In the 7th and 8th grades, he believes, discussions should be held on making friends, dating, hours (how soon should a youngster come home at night?), formal parties.

Earlier still, he says, should come sex education.

"It should start when the child is very small," he said. "Say, two years old, or even younger. Then it can be a continuing process."

Dr. Fox admits that this will take time, that no school can plunge right in without first testing the functional water.

Warns Dr. Fox: "No school can get too far ahead of its community."

Service Of Dedication For New Organ At Salem Church On Sunday Morning

Sunday morning at 10:45, a new Hammond organ will be dedicated in a special service being held in Salem Evangelical United Brethren church, Marion street and Pennsylvania avenue, east. Rev. Claude E. Servey, superintendent of the Pittsburgh Conference of the denomination, has been secured as guest speaker.

Announcement Of Eastern Wedding Received Locally

Mr. and Mrs. Lynn W. Stewart, of Argle Road, Orchard Park, N. Y., have announced the marriage of their daughter, Marilyn, to James Currie, Jr., son of Mr. and Mrs. James Currie, Jamestown, N. Y., at 2:30 p. m., on September 4 in the chapel of the Presbyterian church at Orchard Park.

Rev. W. Alun Roberts, of Lackawanna, N. Y., performed the service in the presence of the immediate families.

The bride, entering the chapel on the arm of her father, wore a gasbarding suit of chocolate brown, complemented with pink blouse and feather hat, and a corsage of pink roses surrounded by gardenias.

Miss Dora Allen, of Pittsfield, as maid of honor, was attired in a hunter's green gabardine suit, brown blouse and hat, with a corsage of yellow roses and pompons.

Andrew Currie, of Richfield Springs, N. Y., was his brother's best man.

The reception followed immediately at "Stonewall," home of the bride, where a buffet lunch was served to 60 guests.

Guests included Mr. and Mrs. Warren Stewart of Warren; Mrs. Ray W. Boyd, Mr. and Mrs. G. Dorchester Boyd, Donald Boyd, Miss Marguerite Hanson, Miss Anne Louise Boyd, Robert Lindholm, Mr. and Mrs. James Currie, Jr., Jamestown.

After an eastern wedding trip, the couple will return September 15 to be at home at 506 North Main street, Jamestown.

Local Residents Attend Wedding Of Granddaughter

Mr. and Mrs. J. C. Hughes, 28 Buchanan street, have returned from Hadley, Pa., where they were guests last Saturday for the wedding of their granddaughter, Louise Mae Sheffer, daughter of Rev. and Mrs. J. B. Sheffer, formerly of Franklin, and Larry D. Chaney, son of Mr. and Mrs. V. L. Chaney, also of Hadley.

The candlelight wedding was performed at eight in the evening in the Wesleyan Methodist church, with the bride's father officiating and her uncle, F. Maron Sheffer, chief of police in Franklin, presenting her in marriage. Mrs. Kenneth Houser was at the organ and soloists were Delores Sheffer, sister of the bride, and Rev. Harold Sheffer, of Cambridge Springs, the bride's cousin.

The bride's gown of white satin was styled with square neckline in a fitted bodice and long sleeves that came to points over the wrists. The flared skirt extended into a court train and Chantilly lace trimmed the neckline and cuffs. Her fingertip veil of illusion net, with lace inserts, fell from a crown decorated with seed pearls and she carried white gladioli showered with tiny satin streamers. Her diamond-studded wrist watch was the bridegroom's gift.

Santa Amy, of Jamestown, N. Y., wore aqua taffeta with matching mitts and carried yellow gladioli. Mary McGranahan, of Greenville, wore pink taffeta trimmed with lace. Jeannette Chaney, the bridegroom's sister, was in yellow marquisette, and Genevieve Dick, of Hadley, wore yellow chiffon.

The bridesmaids all had hair bows and carried gladioli in shades which matched their frocks. Roberta Powell, flower girl, wore blue jersey with lace trim.

Jack Chaney served his brother as best man and ushers were David Spargo and David Sankey, Greenville; Merle Powell, Hadley; Joseph Moyihan, Pittsburgh.

Mrs. Sheffer chose navy crepe and matching accessories for her daughter's wedding and Mrs. Chaney wore a brown gabardine suit and corresponding accessories. Each wore white carnations.

Mrs. Hughes, grandmother of the bride, wore a corsage of snapdragons with a navy blue ensemble.

A reception for more than 250 guests was held at the bride's home, after which the couple left for a Canadian honeymoon. They will be at home in Hadley upon their return.

The bride is a talented musician and has been heard as soloist on the Wesleyan radio hour and other religious programs. Following her graduation from Penn High School in Greenville, she studied at Marion, Ind., College of Music, and is employed as receptionist at the Greenville Hospital.

A graduate of Hadley High School, Mr. Chaney spent three years with the navy. He was graduated from the Industrial Institute in Chicago as electronics technician and is employed by Westinghouse in Sharon.

Jaycees Auxiliary Plans Progressing

The formation of a local Junior Chamber of Commerce Auxiliary is proceeding smoothly, according to Florence English, temporary chairman of the group.

The first meeting of the auxiliary will be held Monday, September 20, in the YMCA, and cards have been mailed to wives of all Jaycee members urging their attendance.

The committee asks that the ladies return their cards promptly, so that further plans may be made for this initial session.

Mrs. English reports the first meeting will be of a social nature, as well as for transaction of business. At the business session, a constitution will be ratified and a board of directors elected. Refreshments will be served to conclude the evening.

Voltaire, the French author, is said to have drunk 7 cups of coffee a day

Warren Players Planning Picnic For Next Friday

The Warren Players are starting activities for the 1948-1949 season with a picnic for the active membership on Friday, September 17, at 8:30 p. m. at the Cornplanter Rod and Gun Club.

Bea Trax, chairman, promises a good supper and something special in the line of entertainment, which makes it sound like an occasion not to be missed.

The picnic will also serve to permit announcement of plans for the membership campaign for the coming season, and there is a rumor that Dave Smith has something of considerable interest to report to the active members along this line.

Cards have been mailed to active members announcing the picnic, and the chairman points out that the reply cards must be signed and returned promptly in order to be sure there will be enough supper for all.

When the writer asked how to find the Cornplanter Rod and Gun Club, he was advised "Oh, just drive out Park street extension for about a mile or so and if you don't see the sign, you'll see all the cars. Anybody needing more detailed instructions may phone 1821."

From the activity of the board and the various committees during the summer months, and with rehearsal for the first play of the season already well under way, it looks like a big season for the Warren Players this year.

Pretty Wedding Of Doris Beckwith-Robert J. Stuart

Sugar Grove, Sept. 10—A beautiful candlelight service at the First Methodist church in Warren, united in marriage Miss Doris Beckwith, daughter of Mr. and Mrs. Ernest Beckwith, Russell, and Robert J. Stuart, son of Mr. and Mrs. Scott Stuart, Sugar Grove, Friday evening, September 8th.

Rev. Wayne Furman officiated at the double ring ceremony at 7:30 p. m. in the presence of about 175 guests. The chancel was decorated with candelabra and white gladioli.

Before the ceremony, as the guests assembled, Byron Swanson, accompanied at the organ by Miss Evelyn Wolstencroft, sang Schubert's "Serenade," "O Promise Me," and "Because."

As her sister's matron of honor, Mrs. Donald Hutz was in aqua taffeta with matching gloves and head band. Her gown was complemented with a colonial bouquet of mixed flowers.

The flower girl, Carol Satterthwaite, was dressed in yellow taffeta with matching head band, and carried a miniature colonial bouquet.

The groomsmen were Scott Stuart, Jr., as his brother's best man, and Elwood Beckwith, brother of the bride, Fulton McKay, brother-in-law of the bridegroom, and Vincent Allenson as ushers.

The bride, wearing a gown of white tulle, fashioned with an all-over-lace yoke, long pointed sleeves and fingertip veil falling from a lace headband, was escorted down the candle-lighted aisle by her father. A small white Bible with a white orchid, completed the lovely costume.

Mrs. Beckwith chose for her daughter's wedding a cocoa brown dress with darker brown accessories and yellow rosebud corsage. The bridegroom's mother wore a blue dress with darker accessories and yellow rosebud corsage.

A reception for 150 guests followed in the church parlors, which were beautifully decorated with bouquets of garden flowers. The bride's five-tiered cake was topped with a miniature wedding bell. Aides for the reception were Mrs. Scott Stuart, Jr., Mrs. Fulton McKay, Mrs. Anthony Weller, Mrs. Gertrude Briggs, Mrs. Emmett Hutz, Barbara Brasington and Cynthia McKay.

The newlyweds left by motor for a Canadian honeymoon. For traveling, the bride chose a brown fallie suit with matching brown accessories, and wore the white orchid from her bridal bouquet.

New Romantic Gray Shade Featured In Fall Opening At Metzger-Wright's

The fall fashion season at the Metzger-Wright store was officially ushered in last evening, with the 52nd annual fall opening.

From the time the doors opened at 7:30 o'clock until they closed at 9:30, a steady stream of the firm's friends wandered from floor to floor to examine the 1948 fall fashions for the home, for themselves and their families.

A new shade, Romantic Gray, was the center of attraction in displays throughout the store. The shade is described as a new, clear "gracious lady" gray which is universally becoming. It was shown with its own monotone grays, as well as with shades which complemented it, such as bronze, continental, green, black, red. Each window carried this theme, showing fall fashions with the background of Romantic Gray in every detail, they were the creations of Mildred Carter.

Wedding At Corry Of Interest Here

Announcement has been received here of the marriage of Miss Julia Kudick, daughter of Mrs. Anna Kudick, Columbus, and John Smith, son of Mr. and Mrs. Andrew Smith, 838 North Center street, Corry. The Rev. John DeSant performed the ceremony at two o'clock last Saturday afternoon at the rectory of St. Thomas' church, Corry.

The bride wore an attractive beige gabardine suit with brown accessories and a corsage of gardenias and white roses.

Miss Rosamond Kudick served her sister as maid of honor and appeared in a gray wool suit with green accessories and corsage of red roses.

Frank Bernardi served Mr. Smith as best man.

Thirty members of the immediate families attended the reception which followed at the Kudick home. Roses and sweet peas decorated the bride's table on which a three-tiered wedding cake had also been placed.

Mr. and Mrs. Smith left for a few days' honeymoon at Niagara Falls and in Canada, and upon their return will be at home to their friends at 143 North Center street, Corry.

Mrs. Smith is a graduate of the Columbus High School and St. Francis Hospital School of Nursing. She is a member of the nursing staff at the Corry Hospital.

Mr. Smith attended the Youngsville High School, served four years in the Navy and is employed by the Corry Instrument Company.

Out of town guests attended from Harrisburg, Cleveland, Syracuse, and Williamsport.

Warren Dragons To Face Corry Beavers; Youngsville High Is Playing At Sheffield

The old Biblical phrase, "The first shall be last and the last shall be first" will hold true tomorrow when the Warren high school Dragons, coached by J. E. Leidig, open their 1948 interscholastic football campaign.

Last year, the Dragons closed their season against the Corry Beavers. This year, the first opponent for Warren will be Corry.

The tilt is slated for War Memorial Field in Lexington avenue, with the kickoff at 2:30 o'clock.

The contest is one of two classy high school grid scraps slated for Saturday afternoon. The second will match two long-time rivals, Youngsville and Sheffield, on Sheffield's new Memorial Athletic field. Kickoff time is 2:30 p. m.

WARREN-CORRY

The Warren High starting lineup, built around six lettermen, will probably be the same that went into action last Monday afternoon in an inter-squad affair on War Memorial Field.

In the backfield will likely be Ted Shattuck as signal caller; Keith Vesting and Bill Tannier in the halfback slots; and Creed Erickson as fullback.

The forward will probably include Bob Brumagim and either John Hanna or Chuck Henderson at the terminals, Randy White and Harry Gnages as tackles, Milt Dickerson and Ned Salerno as guards and Chuck Niederlander over the ball.

Six of Corry's seven lettermen will be available for action tomorrow, with the seventh, Curtis Feld, a tackle, likely to be out of uniform due to illness.

The Beavers' backfield will find Roger Ottaway as quarterback, Jack Long and either Jack Crawford or Francis Buell as halfbacks and Art Pitts in the fullback post.

On the Corry line will be Joe Vanik and either Bob Seastead or Cassius Elston as ends; Rex Ireland and Don Schrader as tackles; Joe Wetmore and Erv Sherwood as guards; and Bill Gordon at center.

The Corry squad is expected to be on a par, or even better than last season, so far as the starting lineup is concerned, but lacks strength among the reserves.

The Dragons defeated Corry last season by a 35-0 score.

Warren Radio Station WNAE will broadcast tomorrow's game over its FM facilities.

The station plans to broadcast all of Warren's home and away game over FM, with the exception of the Southwest Central, Ridgeway and Kane contests, which will

Knights Of Columbus Shade First Methodists To Take Church-YMCA Softball Title

Knights of Columbus copped the 1948 championship of the Church-YMCA Softball League last night by edging the First Methodists, 7 to 6, in the third and deciding game of a best-of-three series on Beatty field. Doubles by Bonavita and Musante produced the winning run for the K. of C. in the last half of the ninth.

Aumer, the winning moundsman, canned three men, issued five walks, but only gave up three safeties over the nine-inning route. Sven Forslund whined one batter, also issued five free tickets, but was shelved for 15 hits.

The Knights got two runs in the opening frame. The next three innings were scoreless for both teams. Then the First Methodists exploded in the top half of the fifth to score all six of their markers. The K. of C. whacking away at that lead with single markers in the fifth and sixth frames and then punched across two more runs to tie the score at the end of eight innings.

Winning tally for the Knights came in the bottom half of the ninth frame with no one out. Bonavita slammed his double and then went to third on a throw-in. Musante matched Bonavita's two-bagger to drive him home with the all-important run.

PONY LEAGUE. By The Associated Press. Bradford loomed today as the team to beat in the Pony League playoffs for the Governor's cup.

The Blue Wings polished off the pennant-winning Lockport Reds 7-1 last night to take the first game in their best-of-seven semifinal playoff series. The teams meet again tonight at Lockport.

The runnerup Jamestown Falcons scored six runs in the first two innings to clinch a 6-1 victory over the Hamilton Cardinals and even the other semifinal playoff series at 1-1. Tonight's game is at Hamilton.

MIDDLE ATLANTIC. By The Associated Press. The Vandergrift Pioneers need only one more win to gain the final playoffs in the Middle League governor's cup competition after defeating Uniontown last night for the second straight time, 8 to 4.

The series is on a three out of five basis. The Pioneers, who won the league pennant, and the third place Barons meet again Saturday night when the series shifts to Uniontown.

In the other opening playoff match, Erie whipped Johnston 5 to 3 to even their series at one game apiece.

Warren Red Jackets - North Braddock Mustangs Square Off On War Memorial Field

The Warren Red Jackets and the North Braddock Mustangs will have at least one thing in common when they collide head-on Sunday afternoon in a semi-pro football scrap on War Memorial field in Lexington avenue.

Both clubs lost their opening games of the season.

The Red Jackets dropped their season's debut to the Creighton Tigers by a 15-10 count, while the Mustangs were overwhelmed by the Erie Vets steamroller, 42-6.

Despite the one-sided score against the Vets, the Mustangs are expected to be no pushover for the Red Jackets.

The club sports a number of fast-breaking plays that are likely to keep the locals chasing ball carriers all over the lot.

Sunday afternoon's kickoff will be at 2 p. m. DST.

Another semi-pro game listed for Sunday afternoon will pair the Creighton Tigers against Erie Vets in the Erie Stadium.

Outcome of both of the games will give local fans some basis for comparing the strength of the Red Jackets and the Lakefronters, generally accepted as the two top semi-pro clubs in Pennsylvania.

Field Day Sunday To Attract Hundreds Of Area Residents To Wilder Field At Irvine

Warren Field and Stream Club's big annual event, Field Day, will be staged Sunday on Wilder Field at Irvine, with festivities getting under way at 10 a. m., and continuing until dark.

Highlight of the day will be two outstanding free attractions. The first will feature Bob Geesey of York, a master exhibitionist with a pistol, who was featured in Life Magazine this year and who recently made a film short for Universal Pictures.

He teams up with his wife in the shooting act and is accurate enough in his firing to knock a cigar from her mouth. This attraction is rated one of the best demonstrations of pistol and revolver shooting in the country today.

Second big attraction will be a balloon ascension and a double parachute jump, staged by Claude Shafer of Indianapolis.

There also will be elaborate exhibits of wildlife and forestry, under the auspices of the Pennsylvania Game Commission and the State Department of Forests and Waters.

In addition there will be many other events in which the spectators will take part. These include archery, plug casting, 22-calibre luck shoot, Shoot the B, pistol shoot, skeet, mosquito shoot, and all manner of games.

The Field and Stream Club's famous Fox Hole Inn will be in operation for those who get hungry.

The event annually attracts hundreds of sportsmen and their wives and families from throughout northwestern Pennsylvania, and indications point to a record-breaking attendance this year.

Watch for It — Ask for It — Metzger-Wright's Fall Shopping Guide

Nothing like it has ever been distributed in north-west Pennsylvania. It contains about 300 Fall items, merchandised and selected for value, for style, for price, for quality—for you, for every member of your family, for your home. Descriptions and illustrations are EXACT—you'll find the identical items right here in your favorite store, to the last button, to the last seam.

If you are an active Metzger-Wright charge customer, the Fall Shopping Guide will reach you through the mail today or tomorrow. If not, you may request your copy at the store. (And isn't this a mighty good time to BECOME a Metzger-Wright charge customer. All you have to do is say to the first coworker you meet, "Yes, I'd like to see about opening a charge account". Keep the Guide, examine it, use it. It's just another service of the store that's always

Youngsville Girl Scouts Plan Dinner

Youngsville, Sept. 10—Local Girl Scouts and Brownies are starting off their fall activities with a turkey dinner to be held in the Methodist church dining room Wednesday evening. The dinner will be for all Girl Scouts, Brownies, mothers, Scout and Brownies.

The dinner is a feature "Fly-up Ceremony" of the Ladies, which will be conducted by Miss Celia White, Girl Scout leader of Warren county. The Brownies who take part in the ceremony will fly-up into a new Girl Scout troop which will be under the leadership of Mrs. Frank Spear.

A new Brownie Troop is also to be formed, and any girls seven years old or more, and in the second or higher grade, who would like to be a Brownie, are invited to come to the dinner Wednesday and bring their mothers. Two new Brownie leaders will be Mrs. Elton Barton and Mrs. Max Davis, who will work with the Brownie leader, Mrs. Harland McAllister.

Another local activity is the Girl Scout Neighborhood Club which is meeting with Mrs. John Kirk and packing two Friendship overseas kits. For these kits the ladies need a few more articles. For the babies kit, they need two small shirts, sacques, a knitted bonnet or cap, four pairs of booties and one wool sweater. For the teenage girls' kit, the ladies need pajamas for a girl of twelve or more and also three under-vests. Anyone able to supply any of these articles or desiring more information concerning the kits is asked to please call Mrs. John Kirk.

**Sponsors Named
For Horse Show**

A great many of the finest horses within a 200-mile radius are entered in the \$200 stake classes Saturday evening at the Youngsville Horse Show.

The Five-Gaited Saddle Horse Stake will be sponsored by C. C. Smith Company; the Three-Gaited Saddle Horse Stake by National-Wide Stores; the Tennessee Walking Horse Stake by the Carver Hotel; the Juniper Stake by Warren Baking Company; the Hunter Stake, by Youngsville Business Men's Association; and the Fine Harness Stake by the Youngsville Horse Show committee.

One leg is stronger and longer in the average human being.
